

Terms and Condition of Sales

1. Acceptance

The division, subsidiary or affiliate of Illinois Tool Works Inc. that references these Terms is herein referred to as “Seller” and the customer purchasing products (“Products”) or services (“Services”) is herein referred to as “Purchaser.” These terms and conditions of sale (“Terms”), any Seller quotation, acknowledgment, invoice and other document or form prepared or delivered by Seller (collectively, “Seller Documents” and together with these Terms, the “Agreement”), constitute the complete terms governing the sale of Products and Services. Seller may update these Terms at any time without notice. For the current version of these Terms, visit <http://www.itwautomotive.com/tc/>. The current version of these Terms shall apply to all shipments made after such website has been updated. **Please refer to Section 36 if the Seller is Located (as defined in Section 36) outside the United States.** SELLER HEREBY REJECTS ANY ADDITIONAL OR DIFFERENT TERMS OR CONDITIONS PROPOSED BY PURCHASER, WHETHER OR NOT CONTAINED IN ANY OF PURCHASER’S BUSINESS FORMS OR ON PURCHASER’S WEBSITE, AND SUCH ADDITIONAL OR DIFFERENT TERMS WILL BE OF NO EFFECT. These Terms are applicable to all sales of Products and/or Services, all Seller Documents, and all purchase orders (“Purchase Orders”) from Purchaser. No site usage agreement or any other click through agreement on a website will have any applicability or binding effect whether or not Seller clicks on an “ok,” “I accept,” or similar acknowledgment. Commencement of any work by Seller, or Purchaser’s acceptance of delivery of any Products or Services, will manifest Purchaser’s assent to the Agreement. Additional or different terms applicable to a particular sale may only be specified in the body of a Seller Document or expressly agreed to in writing by the parties. In the event of a conflict, the following order of precedence will apply: (a) terms expressly agreed to in writing and executed by an authorized officer of Seller; (b) Seller Document terms; (c) these Terms. Notwithstanding anything contained in the foregoing to the contrary, if a reference to these Terms is contained in any Seller Document or writing executed by an authorized officer of ITW, these Terms shall take precedence over any conflicting or contrary terms.

2. Quotations

Quotations are only valid in writing and for 30 days from the date of the quotation unless otherwise set forth in Seller’s quote. All quotations by Seller are subject to change or withdrawal without prior notice to Purchaser. Quotations are made subject to approval by Seller of Purchaser’s credit. Seller may refuse and shall have no obligation to sell or deliver Products or Services unless and until Seller issues an order acknowledgement or upon the shipment of Products or commencement of Services by Seller.

3. Prices

Prices are in U.S. Dollars and are subject to change without prior notice for any reason. In addition, if a raw material, component, or service provider raises its prices, or imposes a surcharge on Seller, or if the cost of any of Seller's inputs into the Products or Services increase, Seller reserves the right to increase prices and/or surcharge Purchaser, and Purchaser agrees to accept such price increase or surcharge until the term of such cost increase or surcharge or until the termination of the contract to which these terms and conditions apply is reached. Time of payment is of the essence. All orders are accepted subject to Seller's price in effect at time of shipment. If Purchaser objects to any price increase (regardless of the amount or cause of such increase), or if Purchaser refuses to provide a new purchase order reflecting such price increase, Seller may, at its option, stop any or all future shipments of Products (regardless of whether such price increase affects such Products).

4. Terms of Payment

The inspection rights granted to Purchaser will not affect or alter the payment terms or the timing of Purchaser's payment obligations. Under no circumstances will Purchaser have a right of set-off. Seller shall have the right to offset its payables against its receivables related to goods or services purchased from Seller. Unless otherwise expressly agreed to by Seller in Seller's quotation, terms of payment are thirty (30) days net from the date of Seller's invoice. No discount shall be allowed on transportation charges. In the event of Purchaser's failure to pay Seller's invoice(s) or of any late invoice payments by Purchaser, Seller reserves the right to take any or all of the following actions: (a) any actions allowable under law; (b) withhold shipment of any Products or performance of any Services; (c) demand the return of previously shipped goods; (d) institute new payment terms; and/or (e) cancel any purchase orders. In addition, Purchaser agrees to pay interest on overdue invoices at the rate of 1.5% per month, but not higher than the highest rate permitted by law. If Purchaser fails to make any payment as required, Purchaser agrees to indemnify Seller for all costs and expenses, including reasonable attorneys' fees, court costs, and associated expenses incurred by Seller. Purchaser is expressly forbidden from debiting or invoicing Seller for any sums, amounts or damages which the Supplier has not expressly acknowledged as being its responsibility to pay. Any amount so debited or invoiced shall be deemed to be a failure by Purchaser to pay Seller's invoice(s) in the amount of such debit or invoice.

5. Credit Approval

All shipments to be made hereunder shall at all times be subject to the approval of Seller's credit department. Seller may invoice Purchaser and recover for each shipment made pursuant to these Terms as a separate transaction without regard to any other order or agreement with Seller. If, in Seller's sole judgment, the financial responsibility of Purchaser is or becomes unsatisfactory, then Seller may, at its option and without prejudice to any of its other remedies, (a) defer or decline to make any shipments hereunder except upon receipt of satisfactory security or cash payments in advance, and/or (b) terminate any or all Purchase Orders of Purchaser.

6. Cancellation or Modification

Seller reserves the right to cancel any Purchase Orders or releases thereunder, or terminate any agreement relating to purchase of Seller's Products or Services, upon 10 days' notice to Purchaser. Once Seller has either accepted a Purchase Order or has begun taking actions with respect to such Purchase Order, such Purchase Order cannot be canceled, terminated or modified by Purchaser in whole or in part except with Seller's consent in writing. In such event, Purchaser will be liable for cancellation or modification charges and all costs incurred and committed for the order or in connection with the cancellation or modification, as applicable, together with a reasonable allowance for prorated expenses. If Purchaser nonetheless repudiates the contract or notifies Seller to proceed no further therewith, Seller shall have the right to deliver all finished goods and goods in process, and Buyer agrees to accept same and to pay to Seller the contract price for all finished goods plus reimbursement for Seller's cost of unfinished goods.

7. Inspection / Non – Conforming Shipments

Seller grants Purchaser the right to inspect Products for a period of 15 business days immediately following delivery ("Inspection Period"). Purchaser must notify Seller in writing of any Products that do not conform to the specifications applicable to their sale within the Inspection Period. Purchaser must afford Seller a reasonable opportunity to inspect such Products and cure any nonconformity. If Purchaser fails to provide Seller with such written notice of nonconformity within the Inspection Period, Purchaser shall be deemed to have accepted the Products. Purchaser shall not return any Product without Seller's prior written authorization. Any return authorized by Seller must be made in accordance with Seller's return policies then in effect and must be accompanied by a Returned Goods Authorization ("RGA") from Seller. Purchaser will be responsible for all costs and expenses associated with any returns of Products and will bear the risk of loss or damage of such Products, unless Seller agrees otherwise in writing or determines that the Products do not conform to the applicable terms of sale. Seller, in its sole discretion may reject any return of Product not approved by Seller in accordance with this paragraph or otherwise not returned in accordance with Seller's then current-return policies.

8. Title / Risk of Loss / Delivery

Seller anticipates use of common carriers for transport of Products. Unless specifically otherwise provided in Seller's invoice, the carrier, and not Seller, will bill for freight rates and other transportation charges. Such payments are solely the responsibility of the Purchaser, to be paid directly by the Purchaser to the carrier. Seller reserves the right to schedule its production and to make deliveries accordingly. In circumstances where the Purchaser specifies deliveries to be made in installments, which do not conform to such schedule and Seller elects to deliver as specified by Purchaser, Seller shall have the right to adjust the price to cover Seller's additional costs. All Products shall be shipped ExWorks Seller's plant (Incoterms 2010). Title to the Products and risk of loss shall pass to Purchaser upon delivery in accordance with the applicable shipping term. Purchaser shall assume all risk and liability for loss, damage, or destruction, as well as the results of any use or misuse by third parties who may acquire or use the Products illicitly after the delivery to the carrier. All shipping dates are approximate and are based upon prompt receipt of all necessary information. Seller reserves the right to ship items in single or multiple shipments.

9. Damage

Purchaser must notify Seller and the delivering carrier within fifteen (15) business days from date of receipt of Products, of any damage or shortage, and afford Seller a reasonable opportunity to inspect the Products. Any loss occasioned by damage or shrinkage in transit will be for Purchaser's account and claims for such loss shall be made solely against the carrier.

10. Quantities

Unless otherwise agreed in writing, any variation in quantities shipped over or under the quantities ordered (not to exceed 10%) shall constitute compliance with Purchaser's Order and the stated price per item will continue to apply. If a Purchase Order does not specify quantities, or specifies the quantities as "blanket order", "as released", "as scheduled", "as directed", "subject to Purchaser's production releases" or another similar reference, or if a Purchase Order purports to be a "Requirements Contract" (or something similar) but Seller has not expressly agreed in writing to such requirements obligations, Seller is not obligated to ship any Products beyond the quantity contained in any firm release that has been accepted by Seller, and Seller is not obligated to accept any future orders, Purchase Orders, releases or offers. Unless otherwise agreed in writing, any Purchase Order that purports to be a "Requirements Contract" and has been agreed to in writing by Seller shall be deemed an exclusive contract between Seller and Purchaser.

11. Limited Warranty

Seller warrants that it will convey the Products free and clear of all liens, security interests and encumbrances created by, through or under Seller. Seller further warrants that for a period of 6 months from the date of delivery to the common carrier (the "Warranty Period"), under normal use and given proper installation and maintenance as determined by Seller, the Products: (a) will conform to mutually agreed upon written specifications or other descriptions; and (b) will be free from substantial defects in material and workmanship. In the event of a breach of the warranties set forth above (the "Warranties"), Seller will, at Seller's option and as Seller's sole liability and Purchaser's sole remedy, repair, replace or credit Purchaser's account for, any Product that fails to conform to the Warranties, provided that (i) during the Warranty Period Seller is promptly notified in writing upon discovery of such failure with a detailed explanation of any alleged deficiencies; (ii) Seller is given a reasonable opportunity to investigate all claims; and (iii) Seller's examination of such Product confirms the alleged deficiencies and that the deficiencies were not caused by accident, misuse, neglect, normal wear and tear, improper installation, unauthorized alteration

or repair or improper testing. No Products may be returned to Seller until inspection and approval by Seller and receipt by Purchase of a written "Return Good Authorization" from Seller. Except as provided in Sections 7 and 11 hereof, Seller will neither accept return of Product, nor be responsible for its destruction. The Warranty against defects does not apply to: (1) consumable components or ordinary wear items; or (2) use of the Products with equipment, components or parts not specified or supplied by Seller or contemplated under the Product documentation. Additionally, Seller warrants that (a) it will perform Services in a timely, competent and professional manner and in accordance with industry standards; and (b) the Services shall conform to any mutually agreed upon specifications or statements of work. Purchaser's sole remedy, and Seller's sole liability, for a breach of the foregoing warranty is for Seller, at its option, to re-perform the Services or credit Purchaser's account for such Services.

12. Disclaimer of Further Warranties

EXCEPT AS SET FORTH IN SECTION 11 ABOVE, SELLER MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED (INCLUDING NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE).

13. Limitation of Liability and Remedies

SELLER SHALL NOT BE LIABLE, AND PURCHASER WAIVES ALL CLAIMS AGAINST SELLER, FOR INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, DOWN TIME, LOST PROFITS OR COMMERCIAL LOSSES, WHETHER OR NOT BASED UPON SELLER'S NEGLIGENCE OR BREACH OF WARRANTY OR STRICT LIABILITY IN TORT OR ANY OTHER CAUSE OF ACTION. SELLER WILL NOT BE LIABLE TO PURCHASER FOR ANY LOSS, DAMAGE, OR INJURY TO PERSONS OR PROPERTY RESULTING FROM THE HANDLING, STORAGE, TRANSPORTATION, RESALE, OR USE OF ITS PRODUCTS IN MANUFACTURING PROCESSES, OR IN COMBINATION WITH OTHER SUBSTANCES, OR OTHERWISE. IN NO EVENT WILL SELLER'S LIABILITY UNDER THESE TERMS OR IN CONNECTION WITH THE SALE OF PRODUCTS OR SERVICES EXCEED THE PURCHASE PRICE OF THE SPECIFIC PRODUCTS OR SERVICES AS TO WHICH THE CLAIM IS MADE.

14. Service Terms

The following terms and conditions apply to any on-site Services provided by Seller:

- A. Services will be provided at Seller's then current service rates.
- B. Purchaser shall prepare the site for the Services. If the site is not prepared for the Services upon Seller service personnel's arrival at the agreed upon time and date for Services, Seller may charge Purchaser for any delay and/or travel time at Seller's regular service rates.
- C. Purchaser shall provide Seller with advance notice of any rules, regulations, statutes and requirements applicable to the Services, including any required permits and licenses, that are applicable to Purchaser's local jurisdiction.
- D. Seller may refuse, without any liability, to provide Services and to allow Seller service personnel to suspend Services or vacate any site where, in Seller's opinion, performance of Services would pose a risk to the safety of any person. In such event, Purchaser is responsible for payment of any delay and/or travel time at Seller's regular service rates.
- E. Purchaser is solely liable for all damages or injuries caused or contributed to by Purchaser that may occur on the site, except to the extent damages or injuries are directly caused by the gross negligence or willful misconduct of Seller service personnel.

15. Technical Data

All physical properties, statements and recommendations are either based on the tests or experience that Seller believes to be reliable, but they are not guaranteed.

16. Product Use

Purchaser is solely responsible for determining whether any Product is fit for a particular purpose and suitable for Purchaser's method of application. Accordingly, and due to the nature and manner of use of Seller's Products, Seller is not responsible for the results or consequences of use, misuse or application of its Products by anyone.

17. Tooling / Molds / Dies

Unless otherwise agreed in writing signed by Seller, all material, equipment, facilities, and special tooling, (which term includes but is not limited to tools, jigs, dies, fixtures, molds, patterns, special taps, special gauges, special test equipment, and manufacturing aids and replacements thereof), used in the manufacture of the Products shall remain the property of Seller. Any material, tooling, or equipment furnished to Seller by Purchaser will remain the personal property of Purchaser with the title to and right of possession remaining in Purchaser. If any Seller Document states that the purchase price, capital expenditure or investment amount of any tooling, equipment, dies or anything else is being amortized over some period through a piece-price adjustment, Purchaser agrees to pay Seller for any shortfall in the amortization amount should the stated quantity not materialize in the stated timeframe (in each case as specified on the applicable Seller Document).

18. Taxes

Purchaser shall pay to Seller, in addition to the purchase price, the amount of all fees, duties, licenses, tariffs, license fees, and all sales, use, privilege, occupation, excise, or other taxes, federal, state, local or foreign, which Seller is required to pay or collect in connection with the Products or Services sold to Purchaser. Failure by the Seller to collect any such fees or taxes shall not affect Purchaser's obligations hereunder and Purchaser shall fully defend, indemnify and hold harmless Seller with respect to such tax obligations.

19. Ownership of Intellectual Property and Use of Trademarks and Trade Names

All drawings, know-how, designs, specifications, inventions, devices, developments, processes, copyrights, trademarks, patents and applications therefore, and other information or intellectual property disclosed or otherwise provided to Purchaser by Seller and all rights therein (collectively, "Intellectual Property") will remain the property of Seller and will be kept confidential by Purchaser in accordance with these Terms. Purchaser shall have no claim to, nor ownership interest in, any Intellectual Property and such information, in whatever form and any copies thereof, shall be promptly returned to Seller upon written request from Seller. Purchaser acknowledges that no license or rights of any sort are granted to Purchaser hereunder in respect of any Intellectual Property, other than the limited right to use the Products or Services purchased from Seller. The sale of Products or Services by Seller to Purchaser does not include any design, development or related services associated with the Intellectual Property of the Seller. Purchaser shall not use, directly or indirectly, in whole or in part, Seller's name, or any other trademark or trade name that is now or may hereafter be owned by Seller (collectively the "Trademarks"), as part of Purchaser's corporate or business name, or in any way in connection with Purchaser's business, except in a manner and to the extent authorized herein or otherwise approved by Seller in writing. Purchaser hereby acknowledges Seller's ownership of the Trademarks and the goodwill associated therewith. Purchaser shall not infringe upon, harm or contest the validity of any Trademarks. Purchaser shall be entitled to use the Trademarks only in connection with the promotion or sale of the Authorized Products pursuant to the terms of the Agreement. Purchaser shall reproduce the Trademarks exactly as specified by Seller. Purchaser shall not use the Trademarks in combination with any other trademarks or names. Purchaser agrees that it will not (a) register or attempt to register any Trademark or any colorable imitation thereof (including any non-English language variation thereof), or (b) use such Trademarks for any products or for any purposes other than those set forth in the Agreement. Purchaser shall not at any time during or after termination of the

Agreement use in its business any other trademark that is similar to or in any way resembles the Trademarks so as to be likely to cause deception or confusion with the Trademarks. Purchaser shall provide reasonable cooperation to Seller with respect to any efforts of Seller to protect, defend or enforce its rights to the Trademarks. Should Purchaser cease being an authorized customer of Seller for any reason, Purchaser shall immediately discontinue any formerly permitted use of Seller's name or the Trademarks.

20. Confidential Information

All information furnished or made available by Seller to Purchaser in connection with the subject matter of these Terms or a Purchase Order shall be held in confidence by the Purchaser. Purchaser agrees not to use such information or disclose such information to others (directly or indirectly) without Seller's prior written consent. Except as set forth below, Seller agrees to defend and indemnify Purchaser against any claims, costs, damages, liability and expenses resulting from actual patent, trademark or copyright infringement, misappropriation of confidential information, or violation of any other Intellectual Property right, domestic or foreign that may arise from the sale of Seller's proprietary Product to Purchaser as such pertains to the subject matter of the Agreement (each, a "Claim"); provided, however, (a) Purchaser supplies Seller written notice of such Claim immediately after the Purchaser has notice of such Claim, (b) Purchaser cooperates with Seller in the defense and settlement of such Claim; and (c) Purchaser allows Seller the right to defend and settle such Claim at Seller's expense. If a suit or claim results in any injunction or order that would prevent Seller from supplying any part or Product falling under the Agreement, or if the result of such a suit or claim would, in the reasonable opinion of Seller, otherwise cause Seller to be unable to supply such parts or Products, Seller may do one or more of the following: (i) secure an appropriate license to permit Seller to continue supplying those parts or Products; (ii) modify the appropriate part or Product so that it becomes non-infringing; (iii) replace the appropriate part or Product with a non-infringing but practically equivalent part or Product; or (iv) if Seller cannot reasonably accomplish the actions specified in subsections (i) – (iii), then in Seller's sole discretion, Seller may discontinue selling the part or Product without any further liability to Purchaser. Notwithstanding the foregoing, Seller shall have no liability or duty to defend and indemnify Purchaser against any Claim relating to: (1) the use of any part or Product, (2) the combination of any part or Product with any other part or product not supplied by Seller, or (3) any part or Product or process that is designed or specified by Purchaser.

22. Force Majeure

Seller will not be responsible for failure to perform in a timely manner when its failure results from events beyond its reasonable control (an event of "Force Majeure"), including acts of God, epidemics, acts of war whether declared or undeclared, blockades, labor disputes (whether of Seller's employees or the employees of others), raw material shortages and material increases in costs of raw materials. In the event

of Force Majeure, the time for performance will extend for such time as reasonably necessary to enable Seller to perform. Seller may, during any period of shortage due to any of the above circumstances, allocate its available supply of Products or Services among itself and its purchasers in such manner as Seller, in its judgment, deems fair and equitable.

23. Audit

The Agreement will inure to the benefit of and be binding upon the parties and their respective permitted successors and assigns.

29. Integration and Modification

No modification hereof will be of any effect unless in writing and signed by the party to be bound thereby.

30. Waiver

In the event of any default by Purchaser, Seller may decline to ship Products or provide Services. No failure of Seller to insist upon strict compliance by Purchaser with these Terms or to exercise any right accruing from any default of Purchaser shall impair Seller's rights in case Purchaser's default continues or in case of any subsequent default by Purchaser. Waiver by Seller of any breach by Purchaser of these Terms shall not be construed as a waiver of any other existing or future breach.

31. Limitation of Actions

Notwithstanding any contrary statute of limitations, any cause of action for any alleged breach of these Terms by Seller shall be barred unless commenced by Purchaser within one (1) year from the accrual of such cause or action.
